

Enrichment Instructors

The Augusta Recreation Commission is looking for qualified Instructors to teach classes, camps, one day workshops and on-going programs to serve our community.

These programs may be designed for preschoolers, school aged children, teens, adults, families and seniors. Instructor must have knowledge of proposed program.

Fitness Instructors

The Augusta Recreation Commission is looking for qualified/certified Fitness Instructors to teach classes, camps, one day workshops and on-going programs to serve our community. The

fitness programs may be designed for preschoolers, school aged children, teens, adults, families and seniors. Instructors must be familiar with various techniques, modifications and have knowledge of proposed program. We encourage but do not require content specific certification and/or group fitness certification. We do require current First Aid, CPR and AED certification.

To inquire about starting a class contact Klinton at director@augustaksrec.com or 316-775-4178
