

# SOCCER SUMMER CAMPS

IGNITE THE PASSION

Every year, our Challenger Sports international staff stay with host families. Hosting a coach can be a truly life-changing experience for you and your family, creating memories that last a lifetime! Each year we receive hundreds of emails from families, telling us what an incredible time they had hosting our coaches...this could be you!

## FAQs:

**What is a host family?** This has become one of the most popular parts about Challenger Sports. Your camp's coaches will stay with local families in your community for the duration of the camp week. In return, you receive a **FREE PLACE AT CAMP**, but more importantly you will enjoy a unique week learning about foreign countries, cultures and customs and building lasting friendships with our staff.

**What is expected of a host family?** We encourage our coaches to fit in with the normal pattern of your family life. We would like you to provide the coach with a bed; showering facilities; laundry facilities and meals. If coaches are working a full day at camp, please provide them with a packed lunch.

**How long will they stay with us?** Coaches will typically stay with you Sunday evening before camp - Sunday morning after camp.

## COMING TO YOUR COMMUNITY THIS SUMMER

### HOST FAMILIES NEEDED!

Our awesome international soccer coaches are coaching in Augusta this summer while our camp is in town, and they will be in town from Sunday-Sunday on these dates: **June 27th - August 3rd!**

We are looking for multiple host families for them to stay with while they are in town coaching on the camp.

If you can, host a coach for an unforgettable week of memories, soccer, and friendship for your household!
